Cupboard clearout

The cupboards in the rearmost downstairs room (minister's old office) are full of a lot of items that are not currently in use.
The Buildings Committee would like to clear most of them out to free them for immediate use. If you own any of the 'stuff' there, either personally or know it is part of your group's kit, we would like to know so that you can rescue it.

Once we have established whether anyone lays claim to any items, we will plan to have a clear out day.
Contacts - Graham Coleman or Kalev Ots.
