Upgrading our audio visual equipment

On 3rd March at our first Informal Church Meeting there was a short presentation about plans to update our audio and visual equipment in the main auditorium.

Details are available on the Welcome Desk. On Sunday 29th March we plan to have a gift day for this with a special collection in the morning and evening services.

If you would like to contribute then you can either give the money or make a pledge towards the project.

If you are a visitor today, we warmly welcome you and hope you enjoy the service.

Please feel free to take one of our blue envelopes which are available in the foyer; these contain some information about what we do at Knighton.
