A couple of times each month some of the more urgent news topics are circulated to church members by email.

Whereas the news shared is then also included in the weekly newssheet, some people find it convenient to also hear the news via email. We would like to include sharing these news items with anyone from the fellowship who has an email address but is not a formal church member and already receiving these emails.

If you would like to be included in our mailing list please send your name and email address to the church office.

You can ask to be removed at anytime in the future so you are not committing yourself to receive emails from us for ever. Of course we do not share or publicise any emails with any 3rd parties.
