Making disciples of Jesus to be
grace in the community

25th October 2009

A couple of times each month some of the more urgent news topics are circulated to church members by email.

Although the news shared is then included in the weekly newssheet, some people find it convenient also to hear the news via email. We would like to include sharing these news items with anyone from the fellowship who has an email address but is not a formal church member and already receiving these emails.

If you would like to be included in our mailing list, please send your name and email address to the church office.

You can ask to be removed at any time in the future, so you are not committing yourself to receive emails from us for ever. Of course we do not share or publicise any emails with any third parties.
