Help Wanted

Would anyone in the church be willing, prayerfully, to consider giving one day a week (Fridays) to help us in the CLC Bookshop? Margaret Antill will be stepping down as from Christmas so we urgently need someone to take her place from the beginning of the New Year. If interested please call 2558481 and speak to Michael.

A couple of times each month some of the more urgent news topics are circulated to church members by email.

Although the news shared is then included in the weekly newssheet, some people find it convenient also to hear the news via email. We would like to include sharing these news items with anyone from the fellowship who has an email address but is not a formal church member and already receiving these emails.

If you would like to be included in our mailing list, please send your name and email address to the church office. You can ask to be removed at any time in the future, so you are not committing yourself to receive emails from us for ever. Of course we do not share or publicise any emails with any third parties.
