Christianity Explored: Monday 8th Feb - weekly (7.30 pm-9.00pm)

Christianity Explored is an opportunity to look at the basics of the Christian faith with the freedom to ask questions or disagree! Short talk and discussion - covering subjects such as:-

What do Christians believe?

Why does it matter?

What's so special about Jesus?

Aren't all religions the same?

But what about !!.....

It would suit those who have limited or no knowledge of the Bible or church, to ask or listen to other people's questions & for those who want to put together the jigsaw pieces of what they already know.

Some people come along because they have questions on their mind, others because they have been invited by a friend. Either way, it is a good opportunity to think about the things that really matter in life – but there is no pressure, no praying or singing. Come to the first one and see if it's for you!

For more info, or to book a place, contact the church office - 270 4101.
