This book is essential reading for Christian men everywhere. Hughes pulls no punches as he examines areas of life which are vitally important to the spiritual welfare of today's Christian man. Among other topics examined are 'The Discipline of Purity'; 'The Discipline of Fatherhood'; 'Discipline of Mind'; and 'The Discipline of Friendship'. Hughes' approach is at once biblical and practical, detailed and fundamentally readable. For those men who desire greater inward purity, Christ-likeness, practical godliness and relational effectiveness then this book really is a must have. Quite literally a life changing book on personal and godly discipline.
